

## **YMCA Inclement Weather Procedure:**

As you are aware, on rare occasions it becomes necessary for the Boards of Education to make the decision to **close all schools** and offices due to **severe weather conditions**, we felt it is important to remind you of the following:

When the Board of Education makes the decision to close the school facilities due to severe weather conditions, (not cancellation of buses) this will also include the YMCA Child Care Centre and the YMCA Before and After School program located within the school. YMCA Child Care Centres and programs located outside of schools will also follow the same closure procedure.

In the event of upcoming severe weather conditions, it is recommended before leaving home that you check the school closures , through your local Board of Education's website, or by visiting News outlets such as , [www.citynews.ca](http://www.citynews.ca) / [www.cp24.com/](http://www.cp24.com/) [www.ctvnews](http://www.ctvnews.com/), or you can go to the , YMCA website , [ymcagta.org](http://ymcagta.org), YMCA GTA Facebook or Twitter page @YMCA\_GTA.

YMCA Programs will also indicate on their voicemails if the program is closed by 6:30am.
