Family Fun: “Play to Learn, Learn to Play”

Birth–6 years

This program is designed to encourage quality interactions between you and your child from birth to six years, as well as, providing the parents/caregiver opportunities to network and share with other adults. You and your child will have many opportunities to explore and learn through a play-based environment. The activities provided are child-focused and age-appropriate.

This program does not require registration. However, space is limited at each location.

Toddlers Exploring

13–30 months

During the Toddlers Exploring program participants will have the opportunity to engage in a variety of activities. Language and early literacy skills will be encouraged through the use of rhymes, songs, activities and stories.

Preschool Time

2–6 years

The Preschool Time program enhances and promotes healthy child development. Adults and children are free to explore in an age-appropriate, play-based learning environment.

Musical Babies

Birth–12 months

This program will introduce participants to songs, nursery rhymes and musical experiences. Parents/caregivers will learn how to incorporate music into their baby’s everyday play experiences and encourages language and early literacy skills.

**Please remember to bring a blanket with you.

Songs, Rhymes and Stories

Birth–6 years

During the Songs, Rhymes and Stories program families will come together for songs and finger plays that encourage social interaction and group participation. There will be a variety of mediums used during this time such as puppets, felt boards, props, musical instruments, and dramatic play. Language and early literacy skills will be encouraged through the use of songs, rhymes and story time.

Nobody’s Perfect in Cantonese

Wednesday 1:30 – 3:30 pm

January 8 – February 25th

Nobody’s Perfect Program (NPP) is an 8 week session that builds on what parents already know and do for themselves and their children. It starts with the parents’ own experiences and interests and gives them an active role in the learning process. NPP helps parents build networks among them and encourages them to see one another as sources of advice and support.

Program is full.
